

A diagram of a book cover template. It features two main rectangular areas: a larger one on the left labeled 'BACK COVER' and a smaller one on the right labeled 'FRONT COVER'. Both are outlined with a solid red line. A dashed blue line extends 1/8 inch beyond the red lines on all sides, representing the bleed area. The top and bottom edges of the front cover have trapezoidal extensions, also outlined in red. The entire layout is set against a white background with a light gray border.

**BACK COVER**

**FRONT COVER**

RED LINE = FINISHED EDGE    BLUE LINE = 1/8" (3mm) BLEED
